The Bulletproof Mind-Leadership and Management Principles

A retired U.S. Army Lieutenant Colonel, Dave is an internationally recognized scholar, author, and speaker who is one of the world's foremost experts in the field of human aggression and the roots of violence and violent crime. He is also one of the nation's leading law enforcement trainers. Dave is a former Army Ranger, West Point psychology professor, and Professor of Military Science who drew on his combined experience to establish a new field of scientific endeavor that he has named "Killology". He has served as an expert witness and consultant in numerous federal and state courts, including the *United States vs. Timothy McVeigh*.

Using the principles learned and presented over the past years, he will give you practical, reality-based concepts for leadership and management in today's public service professions. Lt. Col. Grossman will give vital and applicable information to personnel involved in law enforcement, the fire service, or emergency medical services
